DETAILED ACTION

1. Applicant's amendment/arguments filed 4/11/06 have been fully considered and they are deemed to be persuasive.

Allowable Subject Matter

- 2. Claims 1-27, 29-30, and 33-34, renumbered as 1-31 are allowed over the prior art of record.
- 3. The following is an examiner's statement of reasons for allowance:

Regarding Applicant's claimed invention of "a character string and at least a piece of image information . . . supplementary design storing means . . . supplementary design adding means for . . . display link destination information converting . . .", combined with "specifies, as a link destination, another display image which is a display image of the other document . . .", would not have been obvious over, nor would have been fairly suggested by the prior art of record.
